 co1378700 *namirin (■■■■■■), who went by the name nami (■■■) until February 2015, is a
 Japanese-American YouTube singer with her most popular cover, "Renai Circulation" on YouTube
 receiving over 133k views as of November 2022. She also has a very respectable reputation on
 Nico Nico Douga, where her most popular cover there, "Fubuki" hit 746,566 views as of November
 2020. Note that some of her song covers are only available on Nico Nico Douga due to copyright
 issues. She is known for having a voice that is not only cute but also sweet, clear and pretty of the
 higher to mid-range, with a very fast and delicate vibrato. She mainly covers VOCALOID and anime
 songs ranging in genre from ballads to pop to rock. Although she is bilingual, she mostly sings in
 Japanese, with some exceptions like her "crossing field" and her "Sarishinohara" covers. Of the
 latter, she wrote her own translyrics, though she stated that that it was her first time doing so.
 However, she has said that she is more fluent in English than in Japanese. More recently, she often
 does singing and game streams on her YouTube channel. As of February 22, 2021, she is now
 using a Live2D model of her virtual avatar, so she may also be considered as a virtual YouTuber.
 She would later announced her long term hiatus on May 4, 2021, and finished her last stream on
 May 9, 2021, while her twitter would remain active. - 1 Affiliated Chorus Groups - 2 Album

 as of July 10, 2017) - DIVERSE DIRECT - She is able to speak Japanese fluently but cannot read
 some difficult kanji.[2] - She was born and raised in Hawaii.[3] - She uses a Blue Baby Bottle
 (non-SL model) microphone attached to a RØDE PSA1 microphone arm for recording.[4] - She
 stated on her cover of "Sakurairo Time Capsule" that she likes Sakura, and even more,
 Sakuramochi. Amusingly, according to the description, the mixer and encoder of that cover is also
 called Sakuramochi.[5] - Since September 10th, 2017, she has been part of the Featured Artist
 group in the free-to-play rhythm game "osu!", where all her songs from the album 5colors are
 officially licensed to use in the game. [6] - Her father is from the United States, while her mother is
 from Japan, so *namirin has dual citizenship.[7] - She's mostly streaming exclusively on her
